ATS Tip	<div><div></div><div>Adding this job's company name and web address can help us provide you ATS-specific tips.</div></div>
Contact Information	<div><div><div></div><div>We did not find an address in your resume or the address is incomplete. Recruiters use your address to validate your location for job matches.</div></div><div><div></div><div>You provided your email. Recruiters use your email to contact you for job matches.</div></div><div><div></div><div>You provided your phone number.</div></div></div>
Summary	<div><div><div></div><div>We found a summary section on your resume. Good job! The summary provides a quick overview of the candidate's qualifications, helping recruiters and hiring managers promptly grasp the value the candidate can offer in the position.</div></div></div>
Section Headings	<div><div><div></div><div>We found the education section in your resume.</div></div><div><div></div><div>Name your experience section "Work History" or "Professional Experience" for ATS to recognize work sections.</div></div><div><div></div><div>Your Work Experience section appears empty. We recommend that this section should showcase at least one listing, even if it is just an internship or a personal project.</div></div></div>
Job Title Match	<div><div><div></div><div>The job title 'Full Stack Developer' from the job description matches your resume's profile summary. We recommend this to be the case to ensure you're found when recruiters search by job title.</div></div></div>
Date Formatting	<div><div><div></div><div>The dates in your work experience section are properly formatted.</div></div></div>

Education Match	 The job description does not list required or preferred education, and your education information is missing.
File Type	<div><div> You are using a .docx resume. Most ATS can process .docx files, but more accurately process .pdf files. Consider using a .pdf file instead.</div><div> Remove spaces or the following characters from your file name. These characters can cause errors in some ATS.</div><div> Your file name is concise and readable.</div></div>
