- Back end languages: Node.js, PHP
- Database: MySQL
- Tools: Git, Docker (basic)
- Website architecture
- Web design
- Project management
- Problem solving skills
- Organizational skills
- verbal communication skills

PROJECTS & PRACTICAL EXPERIENCE

Windows 98-Style Portfolio (Vanilla HTML/CSS/JS)

- Created a Win98-like desktop interface (windows, taskbar, start menu) with smooth interactions
- Built a reusable window manager (focus, stacking, open/close states, animations)
- Implemented i18n (FR/EN/JP) and responsive layouts for desktop/tablet/mobile
- Deployed on Cloudflare Pages with automated Git deployments and a custom domain

LANGUAGES

- French: Native
- English: Professional (B2)
